

Pupil Premium 2018-19

What is Pupil Premium?

Pupil Premium (PP) funding is an additional sum allocated to schools by the government in addition to the main school budget. It is given on the basis of the number of children eligible for Free School Meals (FSM) either currently or at any time in the past 6 years. The funding is seen as a way to address the learning of children identified as vulnerable to underachieving, to support initiatives to ensure that these pupils reach their full potential. Looked After Children also receive a premium. From 2012, Service children (those who have or have had a parent from an Armed Forces background in the past 3 years) receive a smaller premium.

DFE website July 2014

'The pupil premium is paid to schools as they are best placed to assess what additional provision their pupils need.'

As you can see, schools are free to spend the Pupil Premium grant as they see fit. However, we are held accountable for how we have used the funding and the impact this has had on the achievement and progress of identified pupils.

How much does Hemblington Primary receive?

Academic Year	PP Allocated Budget	No. of eligible pupils	Total no. of children on roll
2017-18	£22,440	17	168
2018-19	£21,420	16	154
2019-20	£22,740	18	158

Despite a drop in our Pupil Premium funding allocation in recent years, we continue to use money from our main budget to support children with vulnerabilities to underachieving, whatever these may be and whenever they may occur during a child's schooling.

Given the success of targeted intervention and support programmes across the school we have committed to continuing the current types of provision in 2019-20, with a particular focus on promoting resilience and confidence through support from the Benjamin Foundation and other interventions.

We are also continuing to invest in NFER assessment resources to enable closer tracking and thus speedier intervention for those pupils who might not be making as rapid progress as expected. We continue to monitor and address the barriers to learning which affect our PP pupils, which can change significantly from year to year.

Expenditure and Impact 2018 -19

Focus	Nature of support	Cost per annum (approx)	Proposed impact – gap between attainment & progress of FSM / non FSM pupils is narrowed
Additional TA / HLTA hours	Catch up groups for literacy & maths	£1686	<p>KS2 2019 PP group 4 pupils Attainment:-</p> <p>50% expected or above in reading test (25% Higher Standard)</p> <p>100% expected in maths test</p> <p>100% expected in grammar, punctuation & spelling test</p> <p>100% met the Expected Standard in writing</p> <p>This meant that 50% of the PP group attained at least the expected standard in all three subjects</p>
	Homework club	£1362	
	Interventions e.g. Nesy, Sound Discovery	£14,682	
	NFER assessment materials & Y6 revision materials	£865	
Support for emotional wellbeing	Benjamin Foundation 'Time for You' programme	£1995	Pupils receiving this support made at least expected progress in their learning
	TA in school supporting emotional wellbeing with individuals and small groups	£723	
Enabling participation	Residential and day visits, attendance at holiday clubs, music tuition	£645	All PP pupils attended residential and day visits during the year. 2 pupils were able to take music lessons 1 was supported to attend extra-curricular activities
Total expenditure - £21,958
