

Tuesday, 24<sup>th</sup> March

Good Morning, Eagles. Here are your home learning tasks for day. Any links or documents you may need will be on the blog page. Hopefully you all have your purple exercise books ready to use. If you were away last week, your kind friends will have/soon will deliver to you a book to use whilst you are off.

Please keep reading your books daily. Talk about what you have read with your adults. I will try and upload some news stories like the ones we read on a Friday morning. You do not have to complete the questions attached. You could also visit [Newsround](#) daily to keep up with the weekly news. Keep looking at the 'Home Learning Resources' on the website as other teachers might add tasks too. Many tasks require the internet and a computer etc. Please remember to limit your time online and find other things to do too! Stay Safe

### Maths

Look on the home learning resources page. Mr. Shingles has added White Rose Maths weekly lessons. Today is ratio and fractions. Use the video that comes with it if you are unsure.

### English

If you haven't started any English, look back at yesterday's page.

Hopefully, all of your reviews are now completed in your booklet. I hope that you enjoyed sharing the trailers with your family.

**Today's task is to research some age appropriate film reviews.**

What do they tell you? How detailed are they? What language do they use?

Have you seen that you can access **Numbots**?

You can use your normal Times Table Rock Stars username and password. This game focuses on addition and subtraction using mental methods.

### PE

I hope that some of you had the opportunity to join Joe Wicks for his 9 am work out on YouTube.

If you look on the 'home learning resources' I have added a picture of an active task that you can do. It is called Play the Deck. There will be another one later. See if you can have a go at these. If not, the weather is lovely; Get outside and play!

### Music

I don't normally teach you music, but I came across this. I thought you could have some fun with **Virtual Piano**.

Visit [www.twinkl.co.uk/go](http://www.twinkl.co.uk/go) Click Sign In. You will then be asked to enter a PIN code: RP0921. Have Fun! Sorry parents 😊

Don't forget to try a couple of the weekly tasks this week to vary your learning.
