

Weekly Tasks – choose a couple of these to do across the week to vary your learning

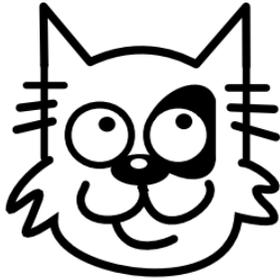

<p align="center"><b>Get Active</b></p> <p>Look at the 'Home Learning Resources' section for ideas that I have added for the whole school. There's a daily Joe Wicks exercise video, just like the ones we did in PE. Also try <a href="#">Jump Start</a></p>	<p align="center"><b>Lego Challenge</b></p> <p>Have a go at the daily Lego challenge. Could you complete it with your family? Or perhaps as a competition against your brother or sister. Could your adults judge it too?</p>	<p align="center"><b>Get Outside</b></p> <p>Go for a family walk. What signs of spring can you see? Could you take photos of them? Perhaps you could make a photo collage.</p>
<p align="center"><b>Community</b></p> <p>Join lots of other children and make a rainbow picture to put up in your window to spread cheerfulness in the community. Read about the project here: <a href="https://www.bbc.co.uk/news">https://www.bbc.co.uk/news</a></p>	<p align="center"><b>Animal Watch</b></p> <p>Watch a <a href="#">ZooCam</a> - if there's not much happening try again another time. You can watch different animals in zoos around the world.</p>	<p align="center"><b>Drawing</b></p> <p><a href="#">Draw alongside an author</a>. Watch the videos of famous illustrators creating characters.</p>
<p align="center"><b>Take a tour from home</b></p> <p>Take a virtual tour of <a href="#">The National Gallery</a>.</p>	<p align="center"><b>Star Gazing</b></p> <p>Go star gazing. There is a useful guide <a href="#">here</a>.</p>	<p align="center"><b>History</b></p> <p>Find out <a href="#">what happened today</a> in history.</p>
<p align="center"><b>Get cooking/baking</b></p> <p>Follow a recipe. Help with the lunch/dinner preparations. Can you also help with the clearing up?</p>	<p align="center"><b>Letter writing</b></p> <p>You may not be able to see some of your family at the minute, perhaps grandparents. I bet they would love to receive a letter/postcard/card from you every so often.</p>	<p align="center"><b>Journal Writing</b></p> <p>Write a diary entry for each day. Think about what we said about making a journal about this time. You could go down in history!</p>
<p align="center"><b>Sign language</b></p> <p>Learn some sign language <a href="#">here</a>.</p>	<p align="center"><b>Science museum/experiments</b></p> <p>Explore <a href="#">The Science Museum</a> with videos, games and investigations. Or <a href="#">Science Fun</a> for some fun experiments. Make sure you ask permission first.</p>	<p align="center"><b>French</b></p> <p>Watch a BBC Bitesize clip and learn some new <a href="#">French</a> words.</p>
<p align="center"><b>Science and Nature</b></p> <p>Explore the <a href="#">National Geographic Kids</a> website for science and nature facts.</p>	<p align="center"><b>Puzzles</b></p> <p>Complete a crossword, word search or other puzzles you have.</p>	<p align="center"><b>Needlecraft / Paper craft</b></p> <p>Begin to learn how to sew/knit/crochet. Can you find a video to help you? Or perhaps try some origami. You all did a wonderful job on your Mother's Day cards. Can't be that hard?!</p>
<p align="center"><b>Quiz</b></p> <p>I loved the quizzes you made for the Greek Olympics. Fancy testing your knowledge with a quiz or two? Try <a href="#">these</a>.</p>	<p align="center"><b>Space Investigation</b></p> <p>Visit <a href="#">NASA Kids' Club</a> to complete some fun space activities: how much would you weigh in space and test your rover skills on Mars.</p>	<p align="center"><b>Design your own game</b></p> <p>Use <a href="#">Shaun's Game Academy</a> to design your own game. Use Scratch, a coding programme, to help you.</p>

## Website Links for you to look at throughout the week

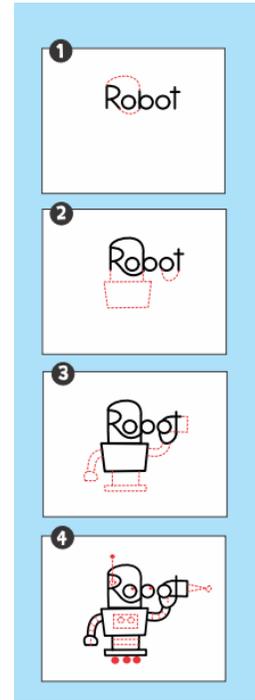

- <https://www.teachingpacks.co.uk/100-challenge-ideas-for-home-learners/> for **100 different activities** that you could also try whilst at home.
- This is a link to the **Aquila magazine** (we have a few in the classroom) They have put together an online magazine, a mega-mag, full of reading and some activities, which some of you may like to dip in and out of. <https://view.joomag.com/aquila-childrens-magazine-magnificentmegamag-92pages/0684174001584550709?short>
- I know lots of you like **cartoon drawing**. I came across an artist who is doing weekly cartoon workshops on YouTube on a Wednesday: Pete McKee. Visit <https://www.youtube.com/watch?v=q8f8ag58jDs> to watch lesson 1: Faces  
[https://www.youtube.com/watch?v=N\\_25Cxc0RcE](https://www.youtube.com/watch?v=N_25Cxc0RcE) for lesson 2: Ageing <https://www.youtube.com/watch?v=UOTMtsYtyOY> for lesson for 3: Bodies
- I have found another **drawing class** for you to try! This one is by Rob Biddulph – a children’s author. They look really great to try! <http://www.robbiddulph.com/draw-with-rob>
- <https://wordtoons.com/free> for **Wordtoons**. Words which have been turned into cartoons (see below).
- If drawing isn’t for you, then I have also come across a **10 minute creative writing challenge**: <https://authorfy.com/10minutechallenges/> I believe that a new challenge will be added every day for quite a while. There’s some great books to get reading too!
- **Cressida Cowell** has launched a YouTube channel and here she will be reading a chapter from her bestselling book, *How To Train Your Dragon*, every day, as well as sharing creativity tips and book recommendations! [YouTube – Cressida Cowell](#).
- This one, [www.zooniverse.org/projects](http://www.zooniverse.org/projects) allows you to join in with **research projects**, such as looking at webcam photos of places in Africa to help identify the animals.
- Visit Newsround for all of the recent news updates: <https://www.bbc.co.uk/newsround>
- If you would like to start learning a new language, visit <https://www.duolingo.com/> to help you.
