

Friday, 24th April

Good Morning, Eagles. That's another week completed! I have had some lovely emails recently about how you are getting on at home. Well done to you all, parents included. This isn't an easy time. Stay safe. ~ Mrs Reeves~

Word of the Day

Friday's word of the day is 'yottabyte'. Look at Tuesday's post if you haven't seen this yet.

Look at the last 2 pages on the Power Point. There are weekly writing tasks.

That's all for today. If you want a little more then remember to look back at the post with all the combined links on.

Or, it's going to be a lovely sunny day again – get outside and have some fun!

Spelling test day!

Maths

White Rose Maths.

Today the task comes from Bitesize. They have teamed up with WRM to create some challenges. So this is something a little different.

It says that the most suitable tasks for Y6 are questions 1-6, but complete which ones you feel you can.
