

Mountains Task Grid

I have created another grid (like your autumn term homework) for those of you who want some extra tasks whilst away from school. There's no expectation that you do them; I just thought I would provide something extra if you wanted it, or for those who dip in and out of the daily tasks.

<p>Write a story that is based on a mountain range. It can be about explorers or people who live in that environment. You could include the animals that are found in these places or the mythical Yeti.</p>	<p>What is an avalanche? Find out what they are and how it happens. Also, what should you do in the event of one happening?</p>	<p>Research a natural disaster that occurred in a mountain environment and create a poster about it.</p>
<p>Explain why it is colder at the top of a mountain than at the bottom of a mountain.</p>	<p>Imagine you are going to climb a mountain – draw a picture of the equipment/clothing you will need to take with you.</p>	<p>Create /design a meal that would provide the essential energy required for a mountain hike. Think about why you would need those types of food.</p>
<p>There are many dangers that you must be prepared for when climbing. Find out about one of the following medical problems climbers may encounter and how to avoid or cure them: Hypothermia; Altitude or Mountain Sickness; Dehydration and Frostbite</p>	<p>Research a mountain climber who survived a climbing accident. Present what happened as creatively as you wish.</p>	<p>Write an acrostic poem about a mountain. E.g. E V E R E S T</p>
<p>Imagine you are going to climb a mountain – draw a picture of the equipment/clothing you will need to take with you.</p>	<p>Decide what you would include in your survival bag for a trek up the Himalayan Mountain Range. You may only take 10 items for you to carry personally. What will you need? Explain your choices and why you feel they will help you to survive.</p>	<p>Make your very own mountain in whichever form you wish; it may be a papier-mâché model, a mountain cake or biscuits or even something you have created using fabric.</p>
<p>Write a rap creating rules of how to respect mountain environments.</p>	<p>Choose a song which you would play if you reached the summit of a mountain, and explain why.</p>	<p>Using any media e.g. paints and pastels etc. Draw a realistic mountain scene.</p>
