Dear Parents/Carers

I am writing to you all again as we have received unfortunate news that due to health reasons and professional medical advice our school Head, Mrs Edmunds is absent from school and will not be returning before the end of term. This is not Covid-19 related.

I realise that this maybe unsettling news however the important thing is that Mrs Edmunds follows the professional advice she is given and looks to recover so I am sure you share with me our best wishes to her. Hopefully we will have an opportunity at some point to thank her for her achievements as Head of Hemblington.

With the government proposals regarding the return to school, plans are currently being produced along with the Trust on how these challenges can be safely achieved and when we have more information we will let you know.

In the meantime we need to ensure the stability and learning for the children is maintained as best as we can in these unique circumstances we have all had to face. We are therefore working with Ms Collier, our new Head, supported by the existing staff and the Trust on how we can achieve this.

I hope this gives you some reassurance but if you have any questions/queries or concerns please let me know using the school email address above.

Kind Regards

Paul Tacon
Chair of Governors
