

**Friday, 12<sup>th</sup> June**

Good Morning, Eagles. It's the last day of the week, already!

Here are today's lessons.

Maths – **maths challenge** <https://whiterosemaths.com/homelearning/year-6/>

Your other lessons are from BBC Bitesize. Visit,

<https://www.bbc.co.uk/bitesize/tags/zncscw/year-6-and-p7-lessons/1> for Friday's lessons.

The English today is **Reading Lesson: The Wolves of Willoughby Chase by Joan Aiken.**

When I wrote this page yesterday, I still couldn't see what the tasks were. Hopefully it will be interesting and a new story for you.

However you might still have some newspaper writing to complete if you started this yesterday.

Your final Bitesize task for today is **Art: Exciting paintings reviewing classic paintings.**

Something much easier completed at home.

You can also use the word of the day PowerPoint as an extra task today.

Don't forget that there are still resources which I have put up previously whilst being away from school that you could still complete if you wish. Have a search through the blog pages. Last week, I also uploaded 3 June activity pages: maths, English and a stay active one.

Have a good day. Enjoy your weekend.
