

Friday, 3rd July

Good Morning, Eagles. You are at the end of another week! I hope that you have been very busy.

Here are today's lessons.

Maths – **maths challenges** <https://whiterosemaths.com/homelearning/year-6/>

English is the end of the 2 week unit – Doors. You might still have some activities to complete. Work at your pace.

If there's time today you can do the **word of the day task** too. Friday has extra writing challenges.

Have a good day. I hope that you enjoy your weekend.

Mrs Reeves
