

Friday, 3rd July

Good Morning, Eagles. You are at the end of another week! I hope that you have been very busy.

Here are today's lessons for your morning at school.

Maths – **maths challenges** <https://whiterosemaths.com/homelearning/year-6/>

English might be the end of the Doors unit? (Teachers can you let me know this, please?)

Try the last of the **well-being calendar tasks** today. I have given another calendar to the teachers to start with you next week.

If there's time today you can do the **word of the day task** too. Friday has extra writing challenges.

Have a good day. I hope that you all enjoy your weekend.

Mrs Reeves
