

Wednesday, 10th June

Good Morning, Eagles. I had a lovely birthday yesterday. We had a lovely afternoon tea, (so I had some cake) I got to see my parents and we went for a nice walk. I hope that you got on well with your work and like using the WRM resources again. For many of you, this is your last day of home learning. How are you feeling about it? The staff have been so busy getting the school ready for you.

Here are today's lessons.

Maths – **substitution**

We propose that you use the WRM videos in the first instance, <https://whiterosemaths.com/homelearning/year-6/> then use the WRM worksheet which can be found on the blog. You then have a choice as to whether you complete the extra worksheets. The BBC Bitesize one and/or the other independent recap task (which can also be found on the blog page). You might like to see how you get on with the learning first. This week looks at algebra, which is something we didn't get to look at too much.

Your other lessons are from BBC Bitesize. Visit, <https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-and-p7-lessons/1> for Wednesday's lessons.

The English today is **using commas**.

Your final Bitesize task for today is **Science: Reversible and irreversible changes**.

(Mrs Kemp will be providing some science for next week and beyond for you to do at school or home).

Monday, I uploaded the word of the day PowerPoint again. We will start this week as week 1. Keeping up with and learning new vocabulary is really important.

Also, here is the link again for the BBC Ten Pieces website:

<https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382>. I haven't seen much music represented in the Bitesize learning so this will be a great way to keep up with your music lessons. This one shows you how to create a Cuban Mambo in your kitchen!

Don't forget that there are still resources which I have put up previously whilst being away from school that you could still complete if you wish. Have a search through the blog pages. Last week, I also uploaded 3 June activity pages: maths, English and a stay active one.

Have a good day

Mrs Reeves
