

Friday, 17th July

Good Morning, Eagles. You have made it to your last week at primary school. Wow! How do you feel now?

6D, be super nice to Mrs. M-G today. You might be leaving school next week, but today is Mrs. M-G's last day teaching. You should feel very honoured that you are the group that she is spending her last day with. Who knows what you will do this morning with her, whatever she wants, I hope!! 😊

For those completing maths and English...

Maths – today is the normal maths challenges.

English might be another **Monsters** task - only today left to do any more.

Have a wonderful morning.

Mrs Reeves
