

Wednesday, 15th July

Good Morning, Eagles. How are you feeling? Excited and on a countdown, or feeling a little sad? Both are completely normal.

Maths – today looks at **reading and interpreting pie charts**. We hadn't looked at this area before school closed. Watch the video carefully. Try the WRM sheet and the extra if you have time.

Hopefully you will complete another **Monsters** task.

I have no extra lessons for you this afternoon, so I'm sure your bubble adults have some other nice tasks for you today. They have access to activities from me. You might be able to go outside more or watch a DVD.

Have a lovely day everyone.

Mrs Reeves
