Dear Parents/Carers

Following last week's Covid closure I just wanted to send a short message to thank you all for your patience and understanding with this issue. This is something that we hoped to avoid however under the circumstances the school had no alternative and Miss Collier has correctly implemented the 'Remote Learning' procedures.

Miss Collier has been very proactive in providing updates and is working to open the school as soon as possible and in that respect this has enabled the school to be reopened for Years 1 & 2 from 16 November. It would have been great to have been able to open the school for the remaining children however safety remains paramount for the children and staff and we are unable to do so.

In the meantime I hope the remote learning provided by the teachers is helping the children, and you, so I would like to also take this opportunity to thank ALL the staff for the work that they are doing to keep the school progressing in these strange times. Can I also applaud the tremendous way in which they are working together as a team, supported superbly by our Head, Miss Collier, who has certainly had a 'baptism of fire' since joining us in September, and is working extremely hard to ensure the learning received is the 'best it can be' in these strange times we live.

Thank you all again for your marvellous support you are giving the school and the staff.

Stay safe

Paul Tacon
Chair of Governors
