

## Hemblington Primary School: Pupil Premium Report 2019/2020

Pupil Premium (PP) funding is an additional sum allocated to schools by the government in addition to the main school budget. It is awarded on the basis of the number of children eligible for Free School Meals (FSM) either currently or at any time in the past 6 years. The funding is seen as a way to address the learning of children identified as vulnerable to underachieving, to support initiatives to ensure that these pupils fulfill their full potential. Looked After children also receive a premium. From 2012, Service children (those who have or had a parent from an Armed Forces background in the past 3 years) receive a smaller premium.

*'The pupil premium is paid to schools as they are best placed to assess what additional provision their pupils need.'*

*DfE July 2014 website*

Schools are free to spend the Pupil Premium money as they see fit. However, we are held accountable for how we have used the funding and the impact this has had on the achievement and progress of identified pupils.

We continue to use the money from our main budget to support vulnerable children with barriers to learning. Given the success of targeted intervention and support programmes across the school, we have committed to continuing the current types of provision. There has been a particular focus on promoting self esteem, growth mindset, resilience and confidence through support from the Benjamin Foundation and other wellbeing interventions.

We have also continued to invest in NFER assessment resources to enable closer tracking and thus speedier interventions for those pupils who might not be making as rapid progress as expected.

We continue to monitor and address the barriers to learning which affect our PP pupils. These can significantly change from year to year.

### How much does Hemblington Primary receive in Pupil Premium funding?

Academic Year	PP Allocated Budget	Number of eligible pupils	Total number of pupils on roll
2017-2018	£22,440	17	168
2018-2019	£21,420	16	154
2019-2020	£22,740	18	158

Projection	PP Projected Budget	Projected number of pupils	Projected Number on roll
2020-2021	£22,140	18	150
2021-2022	£16,760	14	160

#### Expenditure and Impact 2019-2020

Focus	Nature of Support	Cost per annum	Proposed Impact-gap between attainment and progress of FSM/Non FSM pupils is narrowed
Additional TA hours	Interventions: Catch Up Reading and Catch Up Maths , Sound Discovery, Nessy.	£14,371	PP pupils supported to make accelerated progress.
NFER Assessments	To enable accurate tracking of progress against NC year groups objectives.	£900	The biannual tests, coupled with in class formative assessments, give a clear picture of progress for PP children and classes as a whole so teaching/intervention can be precisely targeted to produce better outcomes.
Benjamin Foundation	Social and Emotional Support	£1505	Some of our PP children have high levels of anxiety at times so further sessions from the Benjamin Foundation will enable them to manage emotions and focus on their learning.
Wellbeing Health Education	Social and Emotional Support	£3315	Premier Sport Wellbeing health Education programme has

			supported healthier lifestyles and increased well being for our pupils leading to improved learning outcomes.
PECS Training & additional training for support	Intervention Support	£355	To support PP pupils with language and communication difficulties to improve outcomes.
Homework Club	Targeted after school support with home learning.	£2000	Has provided support with home learning to improve pupil learning outcomes.
Equipment and ChromeBook specific pupils.	Resources used for school and home learning.	£294	Access to resources leading to improved pupil outcomes.
		<b>TOTAL £22,740</b>
