

Dear Parents, Grandparents and Guardians

## Travelling Books - Our Annual Book Fair!

**30<sup>th</sup> November to 14<sup>th</sup> December**

The *Book Fair* will be in school from 30<sup>th</sup> November to 14<sup>th</sup> December. Due to the present Covid restrictions, it has been arranged to have the book cases in school for two weeks, allowing sufficient time for each class to look at the books with their class teacher, with a day's quarantine period between each visit.

As I know you are aware, it is impossible to invite you into school this year to look at the books with your children. Attached to this e-mail is a list of books with pictures, which will be available at the *Book Fair*, and information about making phone payments for any books you would like to order.

Books can be ordered in advance, which would then be available for collection after the *Book Fair* has arrived in school. Alternatively, once your child has looked at the books, they will bring home a *Wish List*, on which they have written the titles and authors of up to three books that interested them.

If you decide to order some books from the *Book Fair*, please can you follow the instructions to make a phone payment to Travelling Books and then return one of the payment slips, which are attached to this e-mail. When making a payment, you will need to quote the School ID code, which is as follows:

**School ID: 500892**

The books will be delivered when the company come to collect the *Book Fair*.

Please remember that every book you buy can help the school to get some **FREE BOOKS** for our classrooms and school library.

It is such a shame that the *Book Fair* cannot operate as it usually does, but I hope you enjoy looking through the list of books with your children and hearing about their visit to see the books once they've arrived in school.

With kind regards

Mrs M Brownsey  
Book Fair Organiser
