

Fantastic Fossils

The children have shown a real interest in dinosaurs during our Science so we will develop this into a topic on fossils.

English

Creative writing using imagination, descriptive writing using sentences that show Y1 writing skills. Introducing verbs, nouns and adjectives.. Daily phonics teaching the 44 phonemes. Stories by the significant author Martin Waddel. Sequencing stories that are familiar to the children.

Computing

The children will start to learn coding using Espresso coding.

Science

We will investigate materials, describing their properties and what they are used for. We will carry out simple experiments.

History

Historical Timelines. Significant people in history and The Great Fire of London. The children will use different sources of evidence to find out information.

RE

Christianity and Easter

Maths

We follow White Rose Maths, this half term the children will work with numbers up to 50. They will do addition and subtraction within 20 and begin work on place value. Don't forget to log on to Numbots to improve your Maths' skills.

PE

PE is on Wednesday and Thursday. We will follow the Real PE scheme which works on multi skills for use in many sports. Dance

Geography

Weather Detectives. The children will explore seasonal weather and cold and warm regions of the world.

Art

Shading and tinting and paint effects and skills linked to our topic work.

Music

Using percussion in music. Singing songs related to our topics
