

Hemblington Primary School: Sport Premium Funding 2019-2020

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. Schools must use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that the school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

The Government's Sports Premium Funding for 2019-2020 at Hemblington = £17,440.

Total number of pupils, on roll (Yr 1-Yr 6) 144

Objectives:

1. To improve the engagement of all pupils in regular physical activity
2. To raise the profile of PESSPA across the school as a tool for whole school improvement
3. To increase the confidence, knowledge and skills of all staff in teaching PE and sport
4. To offer a broader range and experience of sports and activities to all pupils
5. To increase participation in competitive sport

At Hemblington Primary School we place a high value on all children engaging in high quality sporting activities and participating in sporting competitions and challenges.
