

Swan Class Curriculum News Summer 2023

Let's explore nature!

English

Our English this term is based on two high quality texts, the books will be introduced gradually to the children, exploring them in depth. The books will support both reading and writing. In writing we are looking at persuasive writing (on a local issue), personal writing in response to a story, writing in role and narrative writing.

Science

We will explore plants, naming common wild and garden plants and trees. We will look at parts of plants and what their function is.

Geography

We will look at our local area, using fieldwork skills to explore the features of Blofield Heath and the school.

History

We will find out about how life has changed in living memory including focussing on toys.

PSHE

We follow the [SCARF](#) scheme and the themes for this term are 'Being my best' and 'Growing and changing' Please see Mrs Goodson if you would like to see details of the curriculum.

Computing

The children will continue to find out about keeping safe online. They will be creating media, digital writing and programming animations.

Maths

We teach Maths based on the White Rose Maths scheme. This term we are working on Multiplication and division, Fractions, Geometry-position and direction, Place value to 100, Money and Time

Maths is taught using a wide range of resources and strategies to ensure that the children have a good understanding of the Maths they are learning.

Music

We are using a new scheme called Kapow and this term our themes are Vocal and body sounds and Pitch and tempo.

PE

The children use the Get Set 4 PE scheme and this term will cover 'Striking and fielding', 'Net and Wall', 'Athletics' and 'Invasion'

Art and Design

In Art and Design we will explore different methods and types of printmaking. We will look at the work of artists that use printing in their work.

Design Technology

In Design Technology we will look at moving pictures, We will look at how pop up books use levers and sliders to create moving pictures and make our own. We will also look at creating simple animation.

RE

We look at Christianity and Judaism, we ask the following questions. We will look at how Jewish people celebrate special days and the importance of the cross to Christians.
